### MONDAY AFTERNOON PROGRAMMING:

This year, in depth sessions for both secondary and post secondary, as well as business tours will be offered. The in depth sessions will have unlimited seating capacity. The tours, of course, will have limited numbers because of safety concerns. For those wishing to take in a tour, tickets will be available from 11:00-1:00 on Monday at the registration table in the Highland Conference Center. Remember: Business & industry tours require participants to wear long pants and closed toe shoes. More details on both the in depth sessions and business tours will be available at a later date.

---
